- (6) The change of name does not:
 - (a) affect any rights or obligations of the Company; or
 - (b) render defective any legal proceedings by or against it.
- (7) Any legal proceedings that could have been commenced or continued against the Company under its former name may be commenced or continued against it under its new name.
- (8) A Company may obtain the prior approval of the Registrar to the new name before the name is changed by Special Resolution.

23. Power to require change of name

- (1) Without limiting section 21 (Prohibition against misleading, deceptive or conflicting names), if, in the opinion of the Registrar, the name by which a Company is registered is, has become, or is reasonably likely to become, misleading, deceptive, conflicting with another name (including an existing name of another Company), or otherwise undesirable, the Registrar may direct the Company to change it.
- (2) The Registrar must comply with the Decision-making Procedures in deciding whether to give a direction under subsection (1).
- (3) A Company must comply with a direction given by the Registrar under subsection (1) within 30 days after the date specified in the direction unless the Registrar allows a longer period to comply with the direction.

- (2) A Company must not include any Registered Details of the Company in its relevant communications if the information provided is false or misleading. Any reference to the amount of the Company's share capital included in relevant communications of the Company must be to the Company's fully Paid-up share capital.
- (3) Contravention of this section is punishable by a fine.

26. Annual returns

- (1) A Company must, at the same time as it applies for renewal of its Commercial Licence (and, in any event, before the end of the term of its Commercial Licence), file with the Registrar an annual return containing:
 - (a) its financial statements for the last financial year for which the Company's accounts have been prepared; and
 - (b) a statement, for each class of Shares in the Company, setting out either:
 - (i) the name and address of each Shareholder who, on the filing date, held not less than 5% of the Allotted Shares of that class and the number of Shares of that class held by the Shareholder, together with the number of Shareholders each of whom, on that date, held less than 5% of the Allotted Shares of that class and the total number of Shares held by them; or
 - (ii) the name and address of every Shareholder who, on the filing date, held any Shares of that class and the number of Shares of that class held by the Shareholder; and

- (2) The annual return must be accompanied by the filing fee prescribed by the Rules from time to time.
- (2-1) A Shareholder may request a Company to provide a copy of an annual return of the Company to the Shareholder. If the Shareholder pays the reasonable fee (if any) that the Company requires, the Company must, within 10 days after the day the request is received or the day any required payment is made (whichever is later), either give the Shareholder a written copy of the annual return or make a written copy of the annual return available for the Shareholder at the Company's registered office.
- (3) A Person may request a Public Company to provide a copy of an annual return of the Company to the Person. If the Person pays the reasonable fee (if any) that the Public

Company requires, the Company must, within 10 days after the day the request is received or the day any required payment is made (whichever is later), either give the Person a written copy of the annual return or make a written copy of the annual return available for the Person at the Company's registered office.

- (4) Contravention of subsection (1) or (3) is punishable by a fine.

27. Company Records

- (1) This section applies to Records that a Company is required to keep under these Regulations and the Rules.
- (2) The Company may keep the Records in the form of a bound or loose-leaf book, or photographic film, or may enter or record the Records by a system of mechanical or electronic data processing or any other medium that is capable of reproducing any required information in intelligible written form within a reasonable time.
- (3) The Company must take reasonable precautions:
- (a) to prevent the loss or destruction of Records; and

 - (c) to facilitate the detection and correction of inaccuracies in them.
- (3) If any Records are kept otherwise than in intelligible written form, any duty imposed on the Company under these Regulations and the Rules to allow inspection and copying of, or to require the giving or production of, information or Documents is to be treated as a duty to allow inspection and copying of, or to require the giving or production of, information or Documents in intelligible written form.

28. Filing of Special Resolutions and certain other Resolutions and agreements

- (1) This section applies to the following Resolutions and agreements in relation to a Company:
- (a) any Special Resolution;
 - (b) any Ordinary Resolution or agreement agreed to by all the Shareholders of the Company that, if not agreed to by all the Shareholders, would not have been effective for its purpose, unless passed as a Special Resolution;
 - (c) any Ordinary Resolution or agreement agreed to by all the Shareholders of a class of Shares that, if not agreed to by all those Shareholders, would not have been effective for its purpose, unless passed by some particular majority or otherwise in some particular way;
 - (d) any Ordinary Resolution or agreement that effectively binds all the Shareholders of a class of Shares, although not agreed to by all those Shareholders.
- (2) A reference in subsection (1) to the Shareholders of a Company, or to the Shareholders of class of Shares in a Company, does not include a reference to the Company itself if the Company is a Shareholder, or a Shareholder of that class of Shares, only because it holds Shares as treasury Shares.

AIFC COMPANIES REGULATIONS

- (3) A Company must file a written copy of every Resolution or agreement to which this section applies or, if a Resolution or agreement is not in Writing, a written memorandum setting out its terms with the Registrar within 15 days after the day it is passed or made.
- (4) Contravention of subsection (3) is punishable by a fine.

PART 5: CORPORATE CAPACITY AND TRANSACTIONS

29. Capacity of Company

- (1) A Company has the capacity, rights and privileges of a natural person.
- (2) The validity of an act done by a Company must not be called into question on the ground of lack of capacity because of anything in its Articles of Association.
- (3) Without limiting subsection (2), a Person acting in good faith in dealing with the Company is not affected by any limitations in its Articles of Association relating to its Directors' powers to bind the Company or authorise another Person to bind the Company.

30. Form of contracts

A Person acting under the express or implied authority of a Company may make, vary, revoke or discharge a contract, or sign an instrument, on behalf of the Company in the same way as if the contract were made, varied, revoked or discharged, or the instrument signed, by a natural person.

31. Pre-incorporation contracts

- (1) A contract that purports to be made by or on behalf of a Company before its incorporation has effect as a contract made with the Person purporting to act for or on behalf of the Company, and that Person is personally liable on the contract and entitled to the benefits of the contract unless subsection (2) applies.
- (2) The Company may, within the period specified in the contract or, if no period is specified, within a reasonable time after the Company is incorporated, adopt the contract by act or conduct signifying its intention to be bound by the contract. If the Company adopts the contract:
 - (a) the Company is bound by the terms of the contract and is entitled to its benefits; and
 - (b) the Person who purported to act for or on behalf of the Company before its incorporation ceases to be bound by the contract or to be entitled to its benefits.

32. Participation in Holding Company

- (1) A Body Corporate cannot be a Shareholder of a Company that is its Holding Company, unless subsection (2) applies. An Allotment or transfer of Shares in a Company to its Subsidiary is void, except to the extent otherwise provided in this section.
- (2) If a Subsidiary is, when it becomes a Subsidiary, a Shareholder of its Holding Company, the Subsidiary may continue to be a Shareholder of its Holding Company for 1 year after the day it becomes a Subsidiary, if either:
 - (a) both of the following subparagraphs are satisfied:
 - (i) it has no right to vote at meetings of the Holding Company or a class of its Shareholders;
 - (ii) it does not acquire further Shares in the Holding Company except on an Allotment of Shares to all Shareholders, in proportion to the number of Shares held by the Shareholders immediately before the Allotment, by way

of bonus issue; or

- (b) it is a Shareholder in its Holding Company only as a Personal Representative or trustee.
- (3) Subsection (1) also applies to a nominee acting on behalf of the Subsidiary as if the nominee were the Subsidiary itself.

PART 6: CLASS RIGHTS

33. Variation or abrogation of class rights

- (1) This section applies to a variation or abrogation of the rights attached to a class of Shares in a Company.
- (2) If the Articles of Association of the Company, or the terms of issue of the relevant Shares, make provision for the variation or abrogation, the rights may only be varied or abrogated in accordance with the provision made for the variation or abrogation.
- (3) If the Articles of Association of the Company, and the terms of issue of the relevant Shares, do not make provision for the variation or abrogation, the rights may only be varied or abrogated:
 - (a) with the Written consent of the holders in the aggregate of at least 75% of the nominal value of the Shares of that class; or
 - (b) by a Special Resolution passed at a separate meeting of the holders of Shares of that class approving the variation or abrogation.
- (4) For this section, any amendment of a provision of the Articles of Association of the Company for the variation or abrogation of the rights attached to the class of Shares, or the insertion of any such provision into the Articles of Association, is taken to be a variation or abrogation of the rights.

34. Shareholders' right to object to variation or abrogation

- (1) This section applies if the rights attached to any class of Shares in a Company are varied or abrogated under section 33.
- (2) The holders in the aggregate of at least 15% of the nominal value of the Shares of that class who did not consent to, or vote in favour of the Special Resolution for, the variation or abrogation may apply to the Court to have the variation or abrogation cancelled on the ground that the variation or abrogation would unfairly prejudice the interests of holders of Shares of that class.
- (3) The application must be made to the Court within 28 days after:
 - (a) if the rights were varied or abrogated under section 33(2)—the day the rights were varied or abrogated; or
 - (b) if the rights were varied or abrogated under section 33(3)(a)—the day the consent required by that paragraph was given; or
 - (c) if the rights were varied or abrogated under section 33(3)(b)—the day the Special Resolution was passed under that paragraph.
- (4) The application may be made on behalf of the holders of Shares entitled to make it by 1 or more of them appointed in Writing.
- (5) Within 7 days after the day the application is made to the Court, the applicants must give Written notice of the application to the Registrar.
- (6) If an application is made to the Court in accordance with this section, the variation or

abrogation has no effect (and, if the variation or variation has taken effect before the application is made, is taken never to have taken effect) unless and until it is confirmed by the Court.

- (7) If, after hearing the applicant and any other Persons who appear to the Court to be interested in the application, the Court is satisfied that this section has been complied with in relation to the application and that the variation or abrogation would unfairly prejudice the interests of the holders of Shares of the class, the Court may disallow the variation or abrogation. If the Court is not so satisfied, the Court must confirm the variation or abrogation.

- (3) If an application is made to the Court under subsection (2), the Court may:
 - (a) dismiss it, if no grounds are found that the rights of Persons making the application are adversely affected; or
 - (b) confirm the Special Resolution; or
 - (c) impose conditions that need to be met before the Company can be registered as a Private Company; or
 - (d) set the Special Resolution aside.
- (4) If an application is made to the Court under subsection (2), the Registrar must not re-Register the Public Company as a Private Company, until the application has been finally dealt with by the Court.
- (5) If the Registrar is satisfied that the Company meets the requirements under this section to be re-registered as a Private Company, the Registrar must re-register the Company accordingly. If the Registrar re-registers the Company, the Registrar must issue an appropriate certificate of conversion that states the date that the certificate was issued.
- (6) On issue of the certificate of conversion, the Company becomes a Private Company and the proposed changes in the Company's name and Articles of Association, as included in or accompanying its application for re-registration, take effect.

 - (b) resolve that, in its opinion, the consideration for the Shares is fair and reasonable to the Company and to all existing Shareholders; and

or

- (c) conceal information if the concealment is likely to mislead or deceive the valuer.
- (7) Contravention of subsection (5) or (6) is punishable by a fine.
- (8) For this section:
 - (a) an Allotment is in connection with a Share exchange if the consideration for the Allotment is the transfer of Shares in another Body Corporate or the cancellation of Shares in another Body Corporate, and the Allotment is open to all holders (or all of a particular class of holders) of Shares in the other Body Corporate; and

47. Bearer Shares

It is unlawful for a Company to issue bearer Shares. Any Shares issued by a Company that purport to be bearer Shares are void.

48. Shareholders' pre-emption rights

- (1) Subject to section 49 (Exceptions of pre-emption right), a Company must not allot Equity Securities to a Person on any terms unless:
 - (a) it has made an offer to each Person who holds Equity Securities to allot to the Person, on the same or more favourable terms, a proportion of the Equity Securities that is as nearly as practicable equal to the proportion of the Equity Securities held by the Person in the Company's share capital; and
 - (b) the period during which any offer may be accepted has expired or the Company has received notice of the acceptance or refusal of every offer made.
- (2) For purposes of subsection (1), the Company allots Equity Securities if it:
 - (a) grants a right to subscribe for, or to convert Securities into, Ordinary Shares; and
 - (b) sells Equity Securities in the Company that were held by the Company immediately before the sale as treasury Shares.
- (3) Shares held by the Company as treasury Shares are disregarded for this section, so that the Company is not treated as a Person who holds Equity Securities and treasury Shares are not treated as forming part of the Company's share capital.
- (4) A Company's Articles of Association may prohibit the Company from Allotting Shares of a particular class in respect of an offer referred to in subsection (1)(a), unless the Company has complied with the equivalent pre-emption rights included in its Articles of Association. Subsection (1) does not apply in such circumstances and the Company may Allot the Shares in accordance with those equivalent pre-emption rights, if an offer is made in accordance with subsection (5).
- (5) An offer made under subsection (1)(a) or (4):

- (a) may be made in hard copy or electronic form; and

- (c) must be open for acceptance for a period of not less than 14 days after the date:
 - (i) the offer is taken to have been received in accordance with the Articles of Association (or, if the Articles of Association do not contain such a provision, when the offer is reasonably expected to have been received by the offeree); or
 - (ii) the offer is published in the Appointed Publications.

- (7) Contravention of this section is punishable by a fine.

49. Exceptions to pre-emption right

Section 48 (Shareholders' pre-emption rights) does not apply in respect of an allotment of Equity Securities:

- (a) that are bonus Shares; or
- (b) that would be held under, or allotted or transferred under, an Employee Share Scheme; or
- (c) that are wholly or partly Paid-up otherwise than in cash in accordance with section 45 (Non-cash consideration for Shares in Private Company) or 46 (Non-cash consideration for Shares in Public Company); or
- (d) in a Private Company, to the extent that the Pre-emption right has been excluded or varied by its Articles of Association; or
- (e) by any Company, to the extent that the restrictions prescribed by section 48 (Shareholders' pre-emption rights) have been excluded or varied by Special Resolution (unless a higher threshold is required by the Articles of Association), if the Special Resolution has been recommended by the Directors of the Company in a Written statement circulated to all Shareholders that sets out:
 - (i) the Directors' reasons for making the recommendation; and

 - (a) has formed the opinion, as regards the Company's situation at the date of the

statement, that there is no ground on which the Company could be found to be unable to discharge its debts as they fall due; and

- (b) has also formed the opinion that:
 - (i) if the Company intended to commence its winding up within 12 months after the date of the statement, the Company would be able discharge its debts in full within 12 months of the commencement of the winding up; or
 - (ii) in any other case, the Company would be able to discharge its debts as they fall due during the year immediately after the date of the statement.
- (3) A Director of the Company must not make a solvency statement mentioned in subsection (1)(b) unless the Director has reasonable grounds for the opinion expressed in the statement. In forming the opinion, the Director must take into account all of the Company's Liabilities (including any contingent or prospective Liabilities).
- (4) Contravention of subsection (3) is punishable by a fine.
- (5) If a Company reduces the amount of its Share Capital, the Company must, within 30 days after the day the reduction takes effect, file with the Registrar a copy of the notice under subsection (1)

66. Reduction of Share Capital by Special Resolution confirmed by Court order

- (1) If a Company is permitted to do so under its Articles of Association and has passed a Special Resolution for reducing its Share Capital, it may apply to the Court for an order confirming the reduction.
- (2) If the proposed reduction of Share Capital involves the payment to a Shareholder of any Paid-up Share Capital or a diminution of Liability in respect of any unpaid Share Capital, the subsections (3), (4) and (5) apply, except so far as the Court directs otherwise under subsection (6).
- (3) Any Creditor of the Company is entitled to object to the reduction of capital if the Creditor, at the date fixed by the Court, is entitled to a debt or claim that would be admissible in proof against the Company, if that date were the commencement of the winding up of the Company.
- (4) The Court must settle a list of Creditors entitled to object under subsection (3). For that purpose, the Court:
 - (a) must ascertain, as far as possible, without requiring an application from any Creditor, the names of the Creditors and the nature and amount of their debts or claims; and
 - (b) may publish notices fixing a day or days by which Creditors not entered on the list are to claim to be entered in the list or are to be excluded from the right of objecting to the reduction of capital.
- (5) If, for a Creditor entered on the list, the Creditor's debt or claim is not discharged or has not determined and the Creditor has not consented to the reduction, the Court may dispense with the consent of that Creditor, on the Company securing payment of the Creditor's debt or claim by appropriating, as the Court may direct, the following amount:

- (a) if the Company admits the full amount of the debt or claim or, though not admitting it, is willing to provide for it—the full amount of the debt or claim;
 - (b) if the Company does not admit, and is not willing to provide for, the full amount of the debt or claim or the amount is contingent or not ascertained—an amount fixed by the Court.
- (6) The Court may, having regard to any special circumstances of the case, direct that subsections (3), (4) and (5) do not apply, or apply with stated modifications, in relation to any class or any classes of Creditors.
- (7) An Officer of the Company must not:
- (a) intentionally or recklessly:
 - (i) conceal the name of a Creditor entitled to object to the reduction of Share Capital, or
 - (ii) misrepresents the nature or amount of the debt or claim of a Creditor, or
 - (b) be Knowingly Concerned in any such concealment or misrepresentation.
- (8) Contravention of subsection (7) is punishable by a fine.

67. Court order confirming reduction of Share Capital

- (1) The Court may, on the terms it considers appropriate, make an order confirming the reduction of a Company's Share Capital, if satisfied, in relation to every Creditor of the Company who under section 66(3) (Reduction of Share Capital by Special Resolution confirmed by Court order) is entitled to object to the reduction of the Share Capital, that either:
- (a) the Creditor has consented to the reduction; or
 - (b) the Creditor's debt or claim has been discharged or has determined or has been secured.
- (2) If the Court makes an order under subsection (1), it may also make either or both of the following orders:
- (a) an order requiring the Company to publish the reasons for the reduction of Share Capital, or the other information about it that the Court considers appropriate, with a view to giving proper information to the public about the causes that led to the reduction;
 - (b) if there is any reserve arising out of the reduction of Share Capital—an order directing whether or not it is distributable.

68. Registration of order and statement of capital

- (1) If the Court confirms the reduction of a Company's Share Capital, the Company must give the Registrar:
- (a) a copy of the order of the Court confirming the reduction; and

- (b) a statement of capital, approved by the Court, showing in respect of the Company's Share Capital:
 - (i) the total number of issued Shares; and
 - (ii) the aggregate nominal value of those Shares; and
 - (iii) the amount Paid-up and unpaid (if any) on each Share (whether on account of the nominal value or by way of premium).
- (2) The Registrar must register the order and statement of capital. On that registration the Special Resolution for reducing the Share Capital as confirmed by the order takes effect.
- (3) The Registrar must certify the registration of the order and statement of capital. The certificate:
 - (a) must be signed by the Registrar; and
 - (b) is conclusive evidence that all the requirements of these Regulations and the Rules in relation to the reduction of Share Capital have been complied with and that the Company's Share Capital is as stated in the statement of capital.
- (4) On its registration, the statement of capital is taken to be substituted for the corresponding part of the Articles of Association.

69. Public Company reducing its Share Capital below its authorised minimum

- (1) If registration of an order of the Court under section 67 (Court order confirming reduction of Share Capital) in relation to a Public Company would result in the Company not having the Share Capital required by section 43 (Minimum share capital), the Registrar must not register the order unless the Company is first re-registered as a Private Company under section 39 (Re-registration of Public Company as Private Company) or the Court has made an order under subsection (2).
- (2) The Court may, by order, authorise the Company to be re-registered as a Private Company without it having passed the Special Resolution required under section 39 (Re-registration of Public Company as Private Company). The order must specify the changes to the Articles of Association and name in connection with the re-registration.
- (3) The Registrar must, on receipt of an order under subsection (2), issue a certificate of incorporation altered to meet the circumstances of the case. On the issue of the certificate, the Company becomes a Private Company and the changes to the Articles of Association and its name take effect.

70. Liability to Creditors in respect of reduction of Share Capital by Court order

- (1) This section applies if:
 - (a) a Creditor entitled to object to the reduction of the Share Capital of a Company is not entered on the list of Creditors under section 66 (Reduction of Share Capital by Special Resolution confirmed by Court order) because of the Creditor's ignorance of the proceedings for the reduction or of the nature and effect of the proceedings on the Creditor's claim; and
 - (b) after the reduction of capital, the Company is unable to pay the amount of the

Creditor's debt or claim.

- (2) Every Person who was a Shareholder of the Company on the day the Special Resolution for reducing the Share Capital took effect under section 68(2) (Registration of order and statement of capital) is liable to contribute, towards payment of the Creditor's debt or claim, an amount not exceeding the amount that the Person would have been liable to contribute if the Company had commenced to be wound up on the previous day.
- (3) If the Company is wound up under these Regulations, the Court, on the application of the Creditor and proof that the Creditor is a Creditor mentioned in subsection (1)(a), may settle a list of Persons liable to contribute under subsection (2), and may make and enforce calls and orders on the Persons included on the list as if they were ordinary contributories in a winding up.
- (4) This section does not affect the rights of the listed Persons among themselves.

71. Treatment of reserves arising from reduction of capital

Any reserve arising from the reduction of a Company's Share Capital is only distributable as provided in the Articles of Association or authorised by a Special Resolution, unless otherwise provided by an order of the Court under section 67(2)(b) (Court order confirming reduction of Share Capital).

CHAPTER 8—DISTRIBUTIONS

72. Restrictions on Distributions

- (1) A Company must not make a Distribution unless the Distribution is made out of profits available for Distribution. The profits available for Distribution are the Company's accumulated, realised profits (so far as not previously utilised by Distribution or capitalisation) less its accumulated, realised losses (so far as not previously written off in a reduction or reorganisation of capital duly made).
- (2) A Public Company must not make a Distribution:
 - (a) unless the amount of its net assets is not less than the aggregate of its share capital and undistributable reserves; and
 - (b) unless, and only to the extent that, the Distribution does not reduce the amount of those net assets to less than that aggregate.
- (3) Whether a Distribution may be made by a Company without Contravening this section is determined by reference to the following items as stated in the relevant accounts:
 - (a) profits, losses, assets and Liabilities;
 - (b) provisions of any kind;
 - (c) share capital and reserves (including undistributable reserves).
- (4) The **relevant accounts** are the Company's last annual accounts, except that:
 - (a) if the Distribution would be found to Contravene this section by reference to the Company's last annual accounts—it may be justified by reference to interim accounts; and

- (b) if the Distribution is proposed to be declared during the Company's first accounting reference period or before any accounts have been prepared in respect of that period—may be justified by reference to initial accounts.
- (5) If the relevant accounts are:
 - (a) the Company's last annual accounts—the accounts must be the accounts that were sent to Shareholders under section 131(4) (Accounts); and
 - (b) interim accounts—the accounts must be properly prepared so as to enable a reasonable judgement to be made about the amounts of the items mentioned in subsection (3); and
 - (c) initial accounts—the accounts must be properly prepared so as to enable a reasonable judgement to be made about the amounts of the items mentioned in subsection (3) and, if the Company is a Public Company, accompanied by a report from the Company's auditor stating whether, in the auditor's opinion, the accounts have been properly prepared.
- (6) If any applicable requirement in subsection (5) is not complied with in relation to any accounts, the accounts may not be relied on for this section and the Distribution is accordingly treated as a Contravention of this section.
- (7) In this section:

auditor means a Person who is registered by the Registrar as an auditor under these Regulations.

Distribution, in relation to a Company, means every description of distribution of the Company's assets to its Shareholders, whether in cash or otherwise, except a distribution by way of:

- (a) an issue of bonus Shares; or
- (b) the redemption or purchase of any of the Company's own Shares out of share capital (including the proceeds of any fresh issue of Shares), or out of unrealised profits, in accordance with these Regulations and the Rules; or
- (c) the reduction of share capital either by:
 - (i) extinguishing or reducing the Liability of any of the Shareholders in respect of share capital not Paid-up or by repaying any Paid-up share capital; and
 - (ii) a distribution of assets to Shareholders on the winding up of the Company.

undistributable reserves, of a Company, means any of the following:

- (a) its share premium account;
- (b) any capital redemption reserve;
- (c) the amount by which its accumulated, unrealised profits (so far as not previously utilised by Distribution or capitalisation) exceeds its accumulated, unrealised

losses (so far as not previously written off in a reduction or reorganisation of capital duly made);

- (d) any other reserve that the Company is prohibited from distributing by its Articles of Association or under any applicable AIFC Regulations or AIFC Rules.

(8) Contravention of this section is punishable by a fine.

73. Consequences of unlawful Distribution

If a Distribution, or part of a Distribution, made by a Company to any of its Shareholders is made in Contravention of section 72 (Restrictions on Distributions) and, at the time of the Distribution, the Shareholder knows or has reasonable grounds for believing that it is made in Contravention of that section, the Shareholder is liable to repay the Distribution, or that part of it, to the Company or, for a Distribution made otherwise than in cash, to pay to the Company an amount equal to the value of the Distribution, or that part, at that time.

CHAPTER 9—DIRECTORS AND SECRETARIES

74. Directors

 - (b) if an Ordinary Resolution of reappointment of the director is not passed at the next General Meeting—the director ceases to be a director at the conclusion of the General Meeting.
- (4) The number of directors must be fixed by the Articles of Association subject to the requirements of section 74(1) (Directors).
- (5) If, at a General Meeting, it is proposed that 2 or more persons be appointed as directors, the appointments must be made by a separate Resolution in respect of each person, unless unanimously agreed otherwise by the Shareholders at the meeting.

 - (b) the interests of the Company's Employees; and

79. Duty to exercise independent judgement

- (1) A Director of a Company must exercise independent judgement.

- (4) A Director of a Company does not Contravene the duty under subsection (1) if:
 - (a) the situation cannot reasonably be regarded as likely to give rise to a conflict of interest; or
 - (b) the Directors of the Company have authorised the situation in accordance with the Articles of Association and any applicable provisions of these Regulations and the Rules.
- (5) A Company's Articles of Association may include alternative procedures for avoiding conflicts of interests. A Director does not Contravene the provisions of this section by acting in accordance with the alternative procedures.

- (2) The Director must declare the nature and extent of the interest to the other Directors of the Company in accordance with section 85 (Duty to declare interest in existing transaction or arrangement).
- (3) But the declaration must be made before the proposed transaction or arrangement is entered into. For a declaration under this section, section 85 (Duty to declare interest in existing transaction or arrangement) applies to the Director with any other necessary changes.

84. Breaches of Directors' duties

If a Director of a Company Breaches any 1 or more of the duties under sections 77 to 83, the Director is taken to have Contravened these Regulations.

The request may consist of several Documents in similar form each signed by or on behalf of 1 or more of the Shareholders making the request.
- (4) If, within 21 days after the request day, the Directors or Secretary of the Company do not call the requested meeting to be held within 2 months after the request day, made the Shareholders making the request, or any of them representing more than $\frac{1}{2}$ of the total voting rights of all of them, may themselves call a meeting. The meeting so called must be held within 3 months after the request day.
- (5) A meeting called under this section must be called in the same way, as nearly as possible, as the in which meetings are to be called by Directors or Secretary.

100. Resolutions in writing of Private Companies

- (1) Subject to any restrictions in a Private Company's Articles of Association, anything that may be done by a Resolution of the Company passed at a Shareholders' meeting (other than a Resolution to remove a Director or a Person who is registered as an auditor under these Regulations) may be done either by a resolution in writing in accordance with this section.
- (2) A resolution in writing is passed as an Ordinary Resolution if it is passed by Shareholders representing a simple majority of the total voting rights of Shareholders who, at the relevant time, would be entitled to vote.

- (4) An Ordinary Resolution or Special Resolution in writing may consist of several instruments in the same form each signed by or on behalf of 1 or more Shareholders.

- (7) Section 104 (Minutes and examination of minute books) applies to an Ordinary Resolution or Special Resolution in writing under this section as if it had been passed at a meeting.
- (8) This section does not affect or limit any provisions in the Articles of Association relating to the effectiveness of the consent of Shareholders, or any class of Shareholders, of a Private Company given to any Document, or anything else, otherwise than at a meeting of them.

101. Recording of decisions by sole Shareholder

- (1) If:
 - (a) a Company has only 1 Shareholder; and
 - (b) the Shareholder takes a decision that may be taken by the Company in a General Meeting and has effect as if agreed by the Company in a General Meeting; and
 - (c) the decision is not taken by way of Ordinary Resolution in writing;the Shareholder must provide the Company with a Written record of the decision.
- (2) Failure to comply with subsection (1) does not affect the validity of the decision.

102. Proxies

- (1) A Shareholder of a Company entitled to attend and vote at a General Meeting or at a meeting of the holders of any class of Shares is entitled to appoint, by Written notice to the Company, another Person (whether a Shareholder or not) as the Shareholder's proxy to attend and vote instead of the Shareholder.
- (2) A proxy appointed to attend and vote for a Shareholder has the same rights as the Shareholder, including, for example:
 - (a) to speak at the meeting; and
 - (b) to vote (but only to the extent allowed by the appointment or the Articles of Association); and
 - (c) to join in a demand for a poll.
- (3) A notice calling a meeting of a Company must contain a reasonably prominent statement that a Shareholder entitled to attend and vote is entitled to appoint a proxy (or, if permitted, 1 or more proxies) to attend and vote instead of the Shareholder, and that a proxy need not also be a Shareholder.

103. Demand for poll

- (1) A provision in the Articles of Association is void in so far as it would have the effect either of:
 - (a) excluding the right to demand a poll at a General Meeting, or at a meeting of the holders of any class of Shares, on a question, other than the election of the chair of the meeting or the adjournment of the meeting; or
 - (b) making ineffective a demand for a poll on any such question that is made either:
 - (i) by not less than 5 Shareholders having the right to vote on the question; or
 - (ii) by a Shareholder or Shareholders representing not less than 10% of the total number of Shares having the right to a vote on the question.
- (2) The instrument appointing a proxy to vote at such a meeting is taken also to provide

authority to demand or join in demanding a poll and, for subsection (1), a demand by a Person as proxy for a Shareholder is the same as a demand by the Shareholder.

- (3) On a poll taken at such a meeting, a Shareholder entitled to more than 1 vote need not, if that Shareholder votes (in person or by proxy), use all the Shareholder's votes in the same way.

104. Minutes and examination of minute books

- (1) Every Company must ensure that minutes of all proceedings at General Meetings, meetings of the holders of any class of Shares, and meetings of its Directors and of committees of Directors, are entered in books kept for that purpose. The Company must ensure that the names of the Directors present at each of those meetings are recorded in the minutes.
- (2) If the minutes purport to be signed by the chair of the meeting at which the proceedings took place or by the chair of the next meeting, the minutes are evidence of the proceedings.
- (3) If minutes of a meeting have been made in accordance with this section, then, unless the contrary is proved, the meeting is taken to have been duly called and held, and all proceedings that took place at the meeting are taken to have duly taken place.
- (4) A Company must ensure that the books containing the minutes of the General Meetings of the Company, or of meetings of the holders of a class of Shares of the Company, are kept at the Company's registered office, and are open to inspection during business hours by a Shareholder without charge.
- (5) A Shareholder of a Company may, by giving the Company a Written request and paying the reasonable amount (if any) required by the Company, ask the Company for a copy of any minutes mentioned in subsection (4) (other than minutes of a meeting of the holders of a class of Shares if the Shareholder is not a holder of that class of Shares). The Company must, within 7 days after the day it receives the request and payment of any required amount, give the copy of the minutes to the Shareholder.
- (6) If a Company Contravenes subsection (4) or (5) in relation to a Shareholder of the Company, the Registrar may, by Written notice given to the Company, direct the Company to immediately comply with the subsection in relation to the Shareholder. If a Company is given a direction under this subsection, the Company must comply with the direction.

CHAPTER 11—PROTECTION OF MINORITIES IN TAKEOVERS

105. Takeover Offers

- (1) In this Chapter:

Takeover Offer, in relation to a Company, means an offer to acquire all the Shares, or all the Shares of any class or classes, in the Company (other than Shares that at the date of the offer are already held by The Offeror), if the offer is on terms that are the same in relation to all the Shares to which the offer relates or, if those Shares include Shares of different classes, in relation to all the Shares of each relevant class.

- (2) In subsection (1):

Shares means Shares that:

- (a) have been Allotted on the date of the offer; or
 - (b) are subsequently Allotted before a date specified in or determined in accordance with the terms of the offer; or
 - (c) any rights convertible into Shares before a date specified or determined in accordance with the term of the offer.
- (3) The terms offered in relation to any Shares are, for this section, to be treated as being the same in relation to all the Shares, or all the Shares of a class to which the offer relates, despite any variation permitted by subsection (4).
- (4) A variation is permitted if:
- (a) the law of a country or territory outside the AIFC precludes the acceptance of an offer in that jurisdiction in the form or the forms specified, or precludes it except after compliance by The Offeror with conditions with which it is unable to comply or that it regards as unduly onerous; and
 - (b) the variation is such that the Persons by whom the acceptance of an offer in that form is precluded are able to accept an offer in a different form but of substantially equivalent value.
- (5) The reference in subsection (1) to Shares already held by The Offeror includes a reference to Shares that The Offeror has an unconditional right to acquire under an unconditional option to acquire.
- (6) If the terms of an offer make provision for their revision and for an acceptance on the previous terms to be treated as an acceptance on the revised terms, the revision must not be regarded for this Chapter as the making of a fresh offer and a reference in this Chapter to the date of the offer is made is accordingly to be taken to be a reference to the date the original offer was made.
- (7) In this Chapter:

The Company means the Company whose Shares are the subject of the Takeover Offer.

The Offeror means, subject to section 111 (Joint offers), the Person making the Takeover Offer.

106. Right of The Offeror to buy out minority Shareholders

- (1) If, for a Takeover Offer that does not relate to Shares of different classes, The Offeror has, because of acceptances of the offer, acquired or contracted to acquire not less than $\frac{9}{10}$ in value of the Shares to which the offer relates, The Offeror may, within 120 days after the day the Takeover Offer closes, give notice to the holder of any Shares to which the offer relates that The Offeror has not acquired, or contracted to acquire, that The Offeror desires to acquire those Shares.
- (2) If, for a Takeover Offer relates to Shares of different classes, The Offeror has, because of acceptances of the offer, acquired or contracted to acquire not less than $\frac{9}{10}$ in value of the Shares of any class to which the offer relates, The Offeror may, within 120 days after the day the Takeover Offer closes, give notice to the holder of any Shares of that class

that The Offeror has not acquired, or contracted to acquire, that The Offeror desires to acquire those Shares.

- (3) The Offeror must not give a notice under subsection (1) or (2) unless The Offeror has acquired, or contracted to acquire, the Shares necessary to satisfy the minimum specified in the subsection within 4 months after the date of the offer, and must not give the notice more than 2 months after the day The Offeror acquires, or contracts to acquire, the shares necessary to satisfy that minimum.
- (4) When The Offeror gives the first notice in relation to an offer, The Offeror must send a copy of it to The Company together with a signed declaration by The Offeror stating that the conditions for giving the notice are satisfied. The Offeror must not make the declaration unless The Offeror has reasonable grounds for believing it to be true.
- (5) If The Offeror is a Body Corporate, the declaration must be signed by a Director of the Body Corporate for The Offeror. The Director must not make the declaration unless the Director has reasonable grounds for believing it to be true.
- (6) Contravention subsection (4) or (5) is punishable by a fine.
- (7) In a proceeding against a Person for a Failure to send a copy of a notice as required by subsection (4), it is a defence for the Person to prove that the Person took reasonable steps to ensure that the subsection was complied with.
- (8) Subsection (9) applies if, during the period within which a Takeover Offer can be accepted, The Offeror acquires, or contracts to acquire, any of the Shares to which the offer relates otherwise than because of acceptances of the offer.
- (9) If this subsection applies and either:
 - (a) the value (the **acquisition value**) for which the Shares are acquired, or contracted to be acquired, does not, at that time, exceed the value that is receivable by an acceptor under the terms of the offer; or
 - (b) those terms are subsequently revised so that, when the revision is announced, the acquisition value, at the time mentioned in paragraph (a), no longer exceeds the value that is receivable by an acceptor under those terms;

The Offeror must be treated for this section as having acquired or contracted to acquire those Shares because of acceptances of the offer; but in any other case those Shares must be treated as excluded from those to which the offer relates.

107. Effect of notice under section 106

- (1) Subject to section 110 (Applications to Court), the following provisions have effect if a notice is given in respect of any Shares under section 106 (Right of The Offeror to buy out minority Shareholders).
- (2) The Offeror is entitled and bound to acquire the Shares on the terms of the offer.
- (3) If the terms of the offer give the holder of any Shares a choice of payment for the Shares, the notice must give particulars of the choice and state:
 - (a) that the holder of the Shares may, within 6 weeks after the date of the notice, indicate the holder's choice by a Written communication sent to The Offeror at an

address specified in the notice; and

- (b) which payment specified in the offer is to be taken as applying if holder indicate the holder's choice;

and the terms of the offer mentioned in subsection (2) have effect accordingly.

- (4) Subsection (3) applies whether or not any time limit or other conditions applying to the choice under the terms of the offer can still be met. If the payment chosen by the holder of the Shares:

- (a) is not cash and The Offeror is no longer able to make that payment; or
- (b) was to have been made by a third party who is no longer bound or able to make the payment;

the payment must be taken to consist of an amount of cash payable by The Offeror that, at the date of the notice, is equivalent to the chosen payment.

- (5) At the end of 6 weeks after the date of the notice, The Offeror must immediately:
 - (a) send a copy of the notice to The Company; and
 - (b) make payment to The Company on behalf of the holders of the Shares to which the notice relates.
- (6) The copy of the notice sent to The Company under subsection (5)(a) must be accompanied by an instrument of transfer executed on behalf of the Shareholder by a Person appointed by The Offeror. On receipt of that instrument, The Company must register The Offeror as the holder of those Shares.
- (7) If the payment referred to in subsection (5)(b) is to be made in Securities to be issued by The Offeror, the reference in that section to making payment is a reference to the issue of the Securities to The Company on behalf of the holders of the Shares to which the notice relates.
- (8) Any amount or other payment received by The Company under subsection (5)(b) is not the property of The Company but must be held by The Company on behalf of the Person entitled to the Shares in respect of which the amount or other payment was received.
- (9) Any amount received, including any dividend or other amount accruing from any other payment, by The Company under subsection (5)(b) must be paid into a separate bank account, the balance of which bears interest at an appropriate rate and can be withdrawn by the notice (if any) that is appropriate.

- (1) If, for a Takeover Offer does not relate to Shares of different classes, at any time before the end of the period within which the offer can be accepted:
 - (a) The Offeror has, because of acceptances of the offer, acquired or contracted to acquire some (but not all) of the Shares to which the offer relates; and
 - (b) those Shares, with or without any other Shares in the Company that The Offeror has acquired, or contracted to acquire, amount to not less than $\frac{9}{10}$ in value of all

the Shares in the Company;

the holder of any Shares to which the offer relates who has not accepted the offer may, by a Written communication addressed to The Offeror, require The Offeror to acquire the Shares.

- (2) If, subsection (1) does not apply to a Takeover Offer and, at any time before the end of the period within which the offer can be accepted:
- (a) The Offeror has, because of acceptances of the offer, acquired or contracted to acquire some (but not all) of the Shares of any class to which the offer relates; and
 - (b) those Shares, with or without any other Shares of that class that The Offeror has acquired, or contracted to acquire, amount to not less than $\frac{9}{10}$ in value of all the Shares of that class;

the holder of any Shares of that class who has not accepted the offer may, by a Written communication addressed to The Offeror, require The Offeror to acquire the Shares.

- (3) No later than 1 month after the end of the period within which the offer can be accepted The Offeror must give any Shareholder or holder of Shares of that class who has not accepted the offer a notice setting out:
- (a) the rights that are exercisable by the Shareholder or holder of Shares of that class under subsection (1) or (2); and
 - (b) the period within which the rights are exercisable;

and, if the notice is given before the end of the period within which the offer can be accepted, the notice must state that the offer is still open for acceptance.

- (4) The notice under subsection (3) may specify a period (not less than 3 months after the end of the period within which the offer can be accepted) for the exercise of the rights given by this section. If the notices specifies such a period, the rights may not be exercised after the end of that period.
- (5) Subsection (3) does not apply to any Shares if The Offeror has given the Shareholder notice in respect of the Shares under section 106 (Right of The Offeror to buy out minority Shareholders).
- (6) Contravention of subsection (3) is punishable by a fine.
- (7) If The Offeror is not a Company, then, in a proceeding against The Offeror for an alleged Failure to comply this section, it is a defence for The Offeror to prove that The Offeror took all reasonable steps to ensure that this section was complied with.

109. Effect of requirement under section 108

- (1) Subject to section 110 (Applications to Court), the following provisions have effect if a Shareholder exercises the Shareholder's rights in respect of any Shares under section 108 (Right of minority Shareholder to be bought out by The Offeror).
- (2) The Offeror is entitled and bound to acquire the Shares on the terms of the offer or, if other terms are agreed, on the other terms.

- (3) If the terms of the offer give the holder of the Shares a choice of payment for the Shares, the holder of the Shares may, in accordance with section 107(3) (Effect of notice under section 106), indicate the holder's choice when requiring The Offeror to acquire them.
- (4) Subsection (3) applies whether or not any time limit or other conditions apply to the choice under the terms of the offer can still be met. If the payment chosen by the holder of the Shares:
 - (a) is not cash and The Offeror is no longer able to make that payment; or
 - (b) was to have been made by a third party who is no longer bound or able to make that payment;

the payment must be taken to consist of an amount of cash payable by The Offeror that, on the day the holder of the Shares required The Offeror to acquire them, is equivalent to the chosen payment.

110. Applications to Court

- (1) If a notice is given under subsection 106 (Right of The Offeror to buy out minority Shareholders) to the holder of any Shares, the Court may, on an application made by the holder within 6 weeks after the day the notice was given:
 - (a) order that The Offeror is not be entitled and bound to acquire the Shares; or
 - (b) specify terms of acquisition different from those of the offer.
- (2) If an application to the Court under subsection (1) is pending at the end of the period mentioned in section 107(5) (Effect of notice under section 106), then, unless otherwise ordered by the Court, that section does not have effect until the application has been disposed of.
- (3) If the holder of any Shares exercises the holder's rights under section 108 (Right of minority Shareholder to be brought out by The Offeror), the Court may, on an application made by the holder or The Offeror, order that the terms on which The Offeror is entitled and bound to acquire the Shares are the terms that the Court considers appropriate.
- (4) On an application made under subsection (1) or (3) the Court may not require consideration that is:
 - (a) a higher value than the value (the **offer value**) specified in the notice containing the terms of the offer to be paid for the Shares to which the application relates, unless the holder of the Shares shows that the offer value would be unfair; or
 - (b) a lower value than the offer value.
- (5) No order for costs may be made against a Shareholder making an application under subsection (1) or (3), unless the Court considers:
 - (a) that the application was unnecessary, improper or vexatious; or
 - (b) that there has been unreasonable conduct by the Shareholder during the proceedings on the application.
- (6) If a Takeover Offer has not been accepted to the extent necessary to entitle The Offeror

to give notices under section 106(1) or (2), the Court may, on the application of The Offeror, make an order authorising The Offeror to give notices under section 106 (1) or (2) if satisfied:

- (a) that The Offeror has, after reasonable enquiry, been unable to trace 1 or more of the Persons holding Shares to which the offer relates; and
 - (b) that the Shares that The Offeror has acquired, or contracted to acquire, because of acceptances of the offer, together with the Shares held by the Person or Persons mentioned in paragraph (a), total not less than the minimum applying under section 106(1) or (2) and
 - (c) that the terms offered are fair and reasonable.
- (7) However, the Court may not make an order under subsection (6) unless it considers that it is just and equitable to make the order having regard, in particular, to the number of Shareholders who have been traced but have not accepted the offer.

111. Joint offers

- (1) A Takeover Offer may be made by 2 or more Persons jointly, and in that event, this Chapter has effect with the following modifications.
- (2) The conditions for the exercise of the rights given by sections 106 (Right of The Offeror to buy out minority Shareholders) and 108 (Right of minority Shareholder to be brought out by The Offeror) are satisfied by the joint offerors acquiring, or contracting to acquire, the necessary Shares jointly (as respects acquisitions because of acceptances of the offer) and either jointly or separately (in other cases) and, subject to the following provisions, the rights and obligations of The Offeror under those sections and sections 107 (Effect of notice under section 106) and 109 (Effect of requirement under section 108) are respectively joint rights and joint and several obligations of the joint offerors.
- (3) It is sufficient compliance with any provision of those sections requiring or authorising a notice or other Document to be given or sent by or to the joint offerors that it is given or sent by or to any of them, except that the declaration required by section 106(4) must be made by all of them and, for a joint offeror that is a Body Corporate, signed by a Director of the Body Corporate.
- (4) In sections 105, 107(7) and 112, a reference to **The Offeror** is a reference to the joint offerors or any of them.
- (5) In section 107(4)(a), the reference to **The Offeror being no longer able to make the payment** is a reference to none of the joint offerors being able to do so.
- (6) In section 107(6), a reference to **The Offeror** is a reference to the joint offerors or such of them as they may determine.
- (7) In section 110, a reference to The Offeror is a reference to the joint offerors, except that any application under section 110(3) or (6) may be made by any of them. However, the reference in section 110(6)(a) to The Offeror having been unable to trace 1 or more of the Persons holding Shares is a reference to none of the joint offerors having been able to do so.

112. Associates

- (1) The requirement in section 105(1) (Takeover Offers) that a Takeover Offer must extend to all the Shares, or all the Shares of any class or classes, in a Company may be satisfied even though the offer does not extend to Shares that associates of The Offeror hold or have contracted to acquire. Shares that an associate holds or has contracted to acquire, whether at the time when the offer is made or subsequently, must be disregarded for the purposes of any reference in this Chapter to the Shares to which a Takeover Offer relates.
- (2) If, during the period within which a Takeover Offer can be accepted, any associate of The Offeror acquires, or contracts to acquire, any of the Shares to which the offer relates, then, if the condition specified in section 106(9)(a) or (b) (Right of The Offeror to buy out minority Shareholders) is satisfied in respect of those Shares, the Shares must be treated for section 106 as Shares to which the offer relates.
- (3) In section 108(1)(b) and (2)(b) (Right of minority Shareholder to be bought out by The Offeror), the reference to Shares that The Offeror has acquired or contracted to acquire includes a reference to Shares that any associate of The Offeror has acquired or contracted to acquire.
- (4) In this section:

 - (a) a nominee of The Offeror;
 - (b) a Holding Company, Subsidiary or fellow Subsidiary of The Offeror or a nominee of such a Holding Company, Subsidiary or fellow Subsidiary;
 - (c) a Body Corporate in which The Offeror has a substantial interest.
- (5) For subsection (4), a Company is a **fellow Subsidiary** of another Body Corporate if both are Subsidiaries of the same Body Corporate but neither is a Subsidiary of the other.
- (6) For subsection (4), The Offeror has a **substantial interest** in a Body Corporate if:
 - (a) the Body Corporate or its Directors are accustomed to act in accordance with The Offeror's directions or instructions; or
 - (b) The Offeror is entitled to exercise or control the exercise of 1/2 or more of the voting power at General Meetings of the Body Corporate; or

 - (a) a Holding Company and 1 or more Wholly-Owned Subsidiaries of the Holding Company; or
 - (b) a Wholly-Owned Subsidiary of a Body Corporate and 1 or more of the following:
 - (i) the Body Corporate;
 - (ii) 1 or more other Wholly-Owned Subsidiaries of the Body Corporate.

- (7) For this Part, the Rules may prescribe the following:
- (a) pre-registration steps—if all Merging Bodies are Companies;
 - (b) pre-registration steps—if a Merged Body is not a Company;
 - (c) pre-registration steps—applicable in all other cases; and
 - (d) any other procedures or matter that is required to assist or facilitate a merger to which this Part applies.

CHAPTER 2—MERGERS REQUIREMENTS

114. Merger agreement

- (1) For the purposes of a merger, each Merging Body must enter into an agreement with each other Merging Body. The agreement (the **merger agreement**) must state the terms of the merger, including the following:
- (a) details of the proposed Merged Body, including the following:
 - (i) whether it is to be a Survivor Body or a New Body;
 - (ii) whether it is to be a Company, Recognised Company or another Body Corporate incorporated outside the AIFC;
 - (iii) the names and addresses of the Persons who are proposed to:
 - (A) be its Directors; or
 - (B) manage it, if it is to be a Body Corporate that does not have Directors;
 - (b) details of any arrangements necessary to complete the merger and to provide for the management of the Merged Body;
 - (c) details of any payment, other than the information specified in subsection (2), proposed to be made to a Shareholder, member or Director of a Merging Company;
 - (d) in relation to the transfer of any Securities of a Merging Company, the information specified in subsection (2).
- (2) For subsection (1)(c) and (d), the specified information in relation to the transfer of any Securities of a Merging Company is:
- (a) if any Securities are to be converted into Securities of the Merged Body—how the conversion is to be made; or
 - (b) otherwise, what the holders are to receive instead, and how and when they are to receive it.
- (3) If the Merged Body is to be a New Company, the merger agreement must also set out:
- (a) the proposed Articles of Association of the New Company; and

- (b) a draft of any other Document or information that would be required to be delivered to the Registrar (however described) if that New Company were to be incorporated under these Regulations otherwise than by merger.
- (4) If the Merged Body is to be a Survivor Company, the merger agreement must also:
 - (a) if any amendments to the Articles of Association of the Survivor Company are proposed—include details of the amendments; and
 - (b) if any person is to become, or cease to be, a Director of the Survivor Company on the merger—state the name and address of each such person.
- (5) If Shares of a Merging Body are held by or on behalf of another Merging Body and the Merged Body is to be a New Company:
 - (a) the merger agreement must provide for the cancellation of the Shares, without any repayment of capital, when the merger is completed; and
 - (b) provision may not be made in the merger agreement for the conversion of the Shares into Securities of the New Company.
- (6) A merger agreement may provide that, at any time before the completion of the merger, the agreement may be terminated by any 1 or more of the Merging Companies, even though the merger has been approved by the Shareholders or members of all or any of those Merging Companies.
- (7) If an agreement is terminated under the terms of a merger agreement referred to in subsection (6), this Part does not require or authorise any further steps to be taken to complete the merger.
- (8) The requirements of this section for a merger agreement do not apply in respect of a Group Merger.

115. Resolutions and certificates for merger

- (1) Before notice is given of a meeting of a Merging Company to approve a merger agreement under section 116 (Approval of merger), the Directors of the Company must pass a Directors' resolution that, in the opinion of the Directors voting for the resolution, the merger is in the best interests of the Company. The resolution must contain either a solvency statement referred to in subsection (2) or a statement referred to in subsection (4).
- (2) If the Directors voting for the resolution under subsection (1) are satisfied on reasonable grounds that they can properly make a solvency statement in respect of the Company, the resolution must include a statement that they are so satisfied.
- (3) For this section, a **solvency statement** is a statement that, having made full inquiry into the affairs of the Company, the person making the statement reasonably believes that the Company is, and will remain until the merger is completed, able to discharge its Liabilities as they fall due.
- (4) If subsection (2) does not apply, the resolution must contain a statement that the Directors voting for it are satisfied on reasonable grounds that there is a reasonable prospect of obtaining the permission of the Court under section 119 (Company to apply to Court if solvency statement not made).

- (5) After the resolution under subsection (1) is passed, but before notice is given as mentioned in that subsection, each Director who voted in favour of it must sign a certificate setting out the grounds for the solvency statement under subsection (2) or the statement under subsection (4), as the case may be.
- (6) Before the notice is given as mentioned in subsection (1) each relevant person under subsection (7) must sign a certificate stating:
 - (a) that, in the person's opinion, the Merged Body will be able to continue to conduct business and discharge its Liabilities as they fall due for 12 months after the day the certificate is signed or the merger is completed, whichever is the later; and
 - (b) the grounds for that opinion, having particular regard to:
 - (i) the prospects of the Merged Body; and
 - (ii) the proposals in any merger agreement in relation to the management of the Merged Body's business, or any proposals in the Special Resolutions proposed to be approved under section 116 in relation to that matter; and
 - (iii) the amount and character of the financial resources that will, in the person's opinion, be available to the Merged Body.
- (7) For subsection (6), a **relevant person** is any of the following:
 - (a) the persons proposed in any merger agreement, or in a Special Resolution for a Group Merger:
 - (i) to be Directors of the Merged Body; or
 - (ii) to manage the Merged Body, if it is to be a Body Corporate that does not have Directors;
 - (b) if none of the Directors of the Merging Bodies is a person mentioned in paragraph (a)—the persons who signed the certificate or statement mentioned in subsection (5).

116. Approval of merger

- (1) Each Merging Body that is a Company must submit the merger for approval by a Special Resolution of the Company and, if there is more than 1 class of Shareholders, for approval by a Special Resolution of a separate meeting of each class.
- (2) Notice of each meeting:
 - (a) must be accompanied by:
 - (i) a copy or summary of any merger agreement; and
 - (ii) copies of the proposed Articles of Association or other Constitutional Documents for the Merged Body or a summary of the principal provisions of those Documents; and
 - (iii) if the notice is accompanied by a summary mentioned in subparagraph (i) or (ii)—information about how a copy of the summarised Document may

- be inspected by the Shareholders of the Company; and
- (iv) a copy of each certificate or statement signed under section 115(5) and (6) (Resolutions and certificates for merger) in relation to the merger; and
- (v) a statement of the material interests in the merger of the Directors of each Merging Body and the persons managing any Merging Body that does not have Directors; and
- (vi) any further information that a Shareholder would reasonably require to make an informed decision about the merger; and
- (b) must contain sufficient information to alert Shareholders to their right to apply to the Court under section 117 (Objection to merger by Shareholders).
- (3) A Special Resolution to approve a Group Merger must:
 - (a) provide that the capital accounts of each Merging Body are to be added to the capital accounts of the Merged Body; and
 - (b) specify any changes to the Articles of Association of the Merged Body that are to take effect on the merger; and
 - (c) state the names and addresses of the persons who are proposed to be the Directors of the Merged Body after the merger; and
 - (d) provide that the Shares of each Merging Body are to be cancelled without any repayment of capital.
- (4) A merger is approved under this section when all the Special Resolutions mentioned in subsection (1) have been passed in respect of all the Merging Bodies that are Companies.
- (5) A merger may not be completed unless it is approved under this section.

117. Objection to merger by Shareholders

- (1) A Shareholder of a Merging Company may apply to the Court for an order under section 175 (Orders for unfair prejudice to Shareholders) on the ground that the merger would unfairly prejudice the interests of the Shareholder.
- (2) An application must not be made:
 - (a) more than 28 days after the day the merger is approved under section 116 (Approval of merger); or
 - (b) by a Shareholder who voted in favour of the merger.

CHAPTER 3—CREDITORS

118. Notice to Creditors of merger

- (1) No later than 28 days after the day a merger is approved under section 116 (Approval of merger), each Merging Body that is a Company must send Written notice to each of its Creditors who, after its Directors have made reasonable enquiries, is known to the Directors to have a claim against the Company exceeding U.S. \$5,000.

- (2) The notice must state:
 - (a) that the Company intends to merge, in accordance with this Part, with 1 or more Bodies Corporate specified in the notice; and
 - (b) that a copy of the merger agreement and each Special Resolution of the Company is available to Creditors from the Company, free of charge, on request.
- (3) If section 119 (Company may apply to Court if solvency statement not made) applies to the merger, the notice must also:
 - (a) state that a Merging Company has applied or will apply for the permission of the Court under that section; and
 - (b) state that any Creditor of any of the Merging Bodies may request the Company making the application to send a copy of the application to the Creditor; and
 - (c) set out information about:
 - (i) how a Creditor may contact the Company making the application or a Person representing it in that application; and
 - (ii) the effect of section 119(4), including the date of the application to the Court, if known at the time of the notice.
- (4) If section 119 does not apply to the merger, the notice must also state that any Creditor of the Company may:
 - (a) give notice to the Company of the Creditor's objection to the merger within 28 days after the day the notice is published under subsection (5); or
 - (b) require the Company to notify the Creditor if any other Creditor of the Company applies to the Court for an order restraining the merger or modifying the merger agreement.
- (5) The Company must publish the contents of the notice in the Appointed Publications or in another way approved by the Registrar.
- (6) The notice must be published:
 - (a) no later than 28 days after the day the merger is approved under section 116; or
 - (b) as soon as practicable after the Company sends the last of the notices under subsection (1), whichever occurs earlier.

119. Company to apply to Court if solvency statement not made

- (1) This section applies to a merger if a certificate signed by the Directors of any of the Merging Companies under section 115(5) (Resolutions and certificates for merger) does not contain the solvency statement mentioned in section 115(3).
- (2) The merger may not be completed unless the Court permits the merger on the ground that the merger would not be unfairly prejudicial to the interests of any Creditor of any of the Merging Bodies.

- (3) A Merging Company to which a certificate mentioned in subsection (1) relates, or all such Companies jointly if there are more than 1, must as soon as is practicable after the proposed merger is approved under section 116 (Approval of merger):
 - (a) apply to the Court for permission for the merger; and
 - (b) send a copy of the application to:
 - (i) any Creditor known to the Directors, after having made reasonable enquiries, to have a claim against any of the Merging Bodies exceeding U.S. \$5,000; and
 - (ii) any other Creditor of any of the Merging Bodies who request a copy from that Company; and
 - (iii) the Registrar.
- (4) The Court must not hear the application for at least 28 days after the day it is made to the Court.

120. Objection by Creditor if solvency statements made

- (1) This section applies to a merger if each certificate signed by the Directors of the Merging Companies under section 115(5) (Resolutions and certificates for merger) contains the solvency statement mentioned in section 115(3).
- (2) A Creditor of a Merging Company who objects to the merger:
 - (a) may, within 28 days of after the day the notice under section 118(5) (Notice to Creditors of merger) is published, give notice of the Creditor's objection to the Company; and
 - (b) if the Creditor's claim against the Merging Company is not discharged—the Creditor may, within 28 days after the day the Creditor gives notice of the Creditor's objection to the Company, apply to the Court for an order restraining the merger or modifying the merger agreement.
- (3) If a Creditor makes an application under subsection (2)(b), the Company must, within a reasonable time after receiving a copy of the application, send a copy of it to each other Creditor:
 - (a) to whom a notice was sent under section 118(1); or
 - (b) who has made a request under section 118(3)(b); or
 - (c) who has given notice of objection under subsection (2)(a); or
 - (d) to whom the Court orders that a copy should be sent.
- (4) If, on an application under subsection (2)(b), the Court is satisfied that the merger would unfairly prejudice the interests of the applicant or of any other Creditor of the Merging Company, the Court may make the order that it considers appropriate in relation to the merger, including, for example, an order:
 - (a) restraining the merger; or

- (b) modifying the merger agreement (if any) or Special Resolution in the way specified in the order.
- (5) Subsection (6) applies if the Court is considering making an order under subsection (4)(b) to modify a merger agreement or Special Resolution that does not contain a provision in accordance with section 114(6) (Merger agreement) allowing each of the Merging Companies to terminate the merger following the modification.
- (6) The Court must not make the order unless:
 - (a) the order also inserts the provision mentioned in subsection (5) in the merger agreement or Special Resolution; and
 - (b) the Court is satisfied that each Merging Company will have an adequate opportunity to reconsider whether to proceed with the merger following the modification.

121. Consent of Registrar required for mergers involving bodies other than Companies

- (1) If 1 or more of the Merging Bodies are not Companies:
 - (a) the Merging Bodies must apply jointly to the Registrar for consent to the merger; and
 - (b) the merger may not be completed unless the Registrar consents and any conditions of the consent are complied with.
- (2) The application for consent must not be made until after the day of the last publication of a notice under section 118(5).
- (3) The application must be accompanied by:
 - (a) a copy of any merger agreement and the Special Resolutions passed under section 116 (Approval of merger); and
 - (b) if any Merging Body is a Company—a copy, in respect of each Company, of:
 - (i) a copy of the resolution passed under section 115(1) (Resolutions and certificates for merger), together with, if the information is not contained in the resolution, a list identifying the Directors who voted in favour of the resolution; and
 - (ii) the certificates signed under sections 115(5) and (6); and
 - (c) a copy of the notice to Creditors published under section 118(5), with the date of its publication; and
 - (d) information, as at the time of the application under this section, about:
 - (i) any application made by a Shareholder to the Court under section 117 (Objection to merger by Shareholders); or
 - (ii) if no application has been made to the Court under that section—the date by which an application may be made to the Court under that section.

- (4) If section 119 (Company may apply to Court if solvency statement not made) applies to the merger:
 - (a) the application under this section must also be accompanied by information, as at the time of that application, about the application made, or to be made, to the Court under that section; and
 - (b) the applicants must:
 - (i) keep the Registrar informed of the progress of the application under that section; and
 - (ii) provide, when available, a copy of the Court order permitting the merger.
- (5) If section 120 (Objection by Creditor if solvency statement made) applies to the merger, the application under this section must also be accompanied by:
 - (a) information, as at the time of the application under this section, about:
 - (i) any notice of objection given by a Creditor under section 120(2)(a); or
 - (ii) if no notice of objection has been given—the date by which a notice of objection may be given; and
 - (b) evidence satisfactory to the Registrar that the merger would not be unfairly prejudicial to the interests of any Creditor of any Merging Body that is a Company.
- (6) If the Merged Body is to be a Company, the application must also be accompanied by:
 - (a) the consent of the proposed Directors to act as Directors; and
 - (b) a copy of its proposed Articles of Association, unless it is to be a Survivor Company and there are no amendments proposed to its Articles of Association.
- (7) If 1 more of the Merging Companies is a Foreign Company, the application must also be accompanied by evidence satisfactory to the Registrar, in respect of each Foreign Company, that:
 - (a) the laws of the jurisdiction in which the Foreign Company is incorporated do not prohibit either or both of:
 - (i) the proposed merger; or
 - (ii) if the Merged Body is to be a new Body Corporate incorporated in that jurisdiction—the incorporation of that Body Corporate because of the merger; and
 - (b) if those laws or the constitution of the Foreign Company require that an authorisation be given for the application under this section or for the merger—the authorisation has been given; and
 - (c) if the Foreign Company is not to be a Survivor Company—the Foreign Company will, in due course after the completion of the merger, cease to be a Body Corporate incorporated under the law of the jurisdiction in which it is presently incorporated.

- (8) If the Merged Body is to be a Foreign Company, the application must also be accompanied by evidence satisfactory to the Registrar that the laws of the jurisdiction in which the Merged Body is to be incorporated provide that on the merger:
- (a) the property and rights to which the transferor bodies were entitled immediately before the merger will become the property and rights of the Merged Body; and
 - (b) the Merged Body will become subject to any criminal and civil liabilities, and any contracts, debts and other obligations, to which the transferor bodies were subject immediately before merger; and
 - (c) any legal proceedings that, immediately before the merger, were pending by or against any of the transferor bodies may be continued by or against the Merged Body.
- (9) Subsections (10) and (11) apply unless, at the time of the application under this section:
- (a) there has been no objection by a Shareholder or by a Creditor to the merger; and
 - (b) the time for making any objection has elapsed.
- (10) The applicants must:
- (a) notify the Registrar of any objection of which they become aware after the application; and
 - (b) notify the Registrar of the result once any objection, whenever made, has been disposed of; and
 - (c) provide to the Registrar any further information or Document reasonably required by the Registrar in connection with any objection.
- (11) Until the applicants have complied with subsection (10), the Registrar:
- (a) must not make any decision on the application other than to refuse consent on grounds unconnected to an objection; and
 - (b) may, in respect of the application, take any other action short of making a decision, or take no further action.
- (12) In subsections (9), (10) and (11):
- objection** means:
- (a) the making by a Shareholder of any Merging Company of an application to the Court under section 117; or
 - (b) the giving of notice of objection under section 120(2)(a) (Objection by Creditor if solvency statement made) by a Creditor of any Merging Company.

CHAPTER 4—COMPLETION OF MERGER AND GROUNDS FOR OPINIONS

122. Effect of completion of merger

- (1) On the completion date of a merger:

- (a) the Merging Bodies are merged and continue as one Merged Body as provided in any merger agreement or the Special Resolution; and
 - (b) any Merging Company that is not a Survivor Company ceases to be incorporated as a separate Company.
- (2) When a merger is completed in which the Merged Body is a New Company:
- (a) the New Company becomes entitled to all property and rights to which each Merging Body was entitled immediately before the merger was completed; and
 - (b) the New Company becomes subject to all criminal and civil liabilities, and all contracts, debts and other obligations, to which each of the Merging Body was subject immediately before the merger was completed; and
 - (c) any legal or other proceedings that, immediately before the merger, were commenced by or against any of the Merging Bodies may be continued by or against the New Company.
- (3) Entries made in the Register, as prescribed by the Rules made for this Part, are conclusive evidence of the following matters to which they refer:
- (a) that, on the completion date specified in the entry, the Merging Bodies merged and are continued as the Merged Body; and
 - (b) that the requirements of these Regulations and the Rules in respect of the merger of the Merging Bodies, including the matters precedent and incidental to the merger, have been fully complied with.
- (4) The operation of this section is not to be regarded:
- (a) as a breach of contract or confidence or otherwise as a civil wrong; or
 - (b) as a Breach of any contractual provision prohibiting, restricting or regulating the assignment or transfer of rights or Liabilities; or
 - (c) as giving rise to any remedy by a party to a contract or other instrument, as an event of default or as causing or permitting its termination or the termination of any obligation or relationship.

123. Grounds for opinion relating to merger

- (1) A Person signing a certificate prescribed by the Rules under section 113(7) (Application and interpretation for Part 8) or a certificate under section 115 (Resolutions and certificates for merger) must have reasonable grounds for any opinion stated in the certificate.
- (2) Contravention of this section is punishable by a fine.

PART 9: COMPROMISES AND ARRANGEMENTS

 - (b) 3/4 of the voting rights of the Shareholders or that class of Shareholders;

as the case may be, present and voting either in person or by proxy at the meeting, agree to the compromise or arrangement.
- (4) If the Court sanctions a compromise or arrangement under subsection (3), the compromise or arrangement is binding on:
 - (a) all the Creditors or that class of Creditors; or
 - (b) all the Shareholders or that class of Shareholders;

as the case may be, and also on the Company or, if the Company is being wound up, on the liquidator and contributories of the Company.
- (5) The Person on whose application the Court makes an order under subsection (3) must give a copy of the order, duly certified by the Registrar of the Court, to the Registrar as soon as practicable and, in any case, within 7 days after the day the order is made.
- (6) The Court order under subsection (3) has no effect, until a duly certified copy of that order is given to the Registrar by the Person on whose application the order was made or the Company.
- (7) The Registrar must, as soon as practicable after receiving a duly certified copy of the Court's order referred to in subsection (5), include the order in the Company's Articles of Association.
- (8) Contravention of subsection (5) is punishable by a fine.

125. Information relating to compromise to be circulated

- (2) The notice calling for the meeting of Creditors or Shareholders must include a statement containing the following:

 - (d) any other matter that has a material impact on the Company, and its Creditors and Shareholders and Debt Security holders, resulting from the compromise or arrangement.
- (3) If the notice calling the meeting is given by advertisement, the advertisement must include either the statement referred to in subsection (2), or a notification of where or how the Creditors or Shareholders entitled to attend the meeting may obtain copies of the statement.
- (4) If a notice given by advertisement includes a notification that copies of the statement referred to in subsection (2) can be obtained by Creditors or Shareholders entitled to attend the meeting, the Company must give a Creditor or Shareholder, on application, a copy of the statement free of charge.
- (5) The Company, and each Officer of the Company, must ensure that every requirement of this section is complied with.
- (6) Contravention of subsection (5) by the Company or an Officer of the Company is punishable by a fine.

126. Provisions for facilitating Company reconstruction or amalgamation

If the Directors exercise that option, the first financial year of the Company under these Regulations is the period of 12 months from the date it is taken to have started.
- (3) The second or any subsequent financial year of a Company starts at the end of the Company's previous financial year and lasts for 12 months or some other period, which is within 7 days either shorter or longer than the 12 months, as may be decided by the Directors.
